

THORACIC SURGERY AND LUNG DISEASE: A KEY ROLE IN THE PUZZLE?

Hybrid Event

CHAIRS
STEFANO ELIA
EUGENIO POMPEO

Friday, November 18th, 2022
Aula Fleming Medical School
Tor Vergata University, Rome, Italy

WELCOME ADDRESS

We are happy and honored to invite you to take part in the Workshop “Thoracic Surgery and Lung Disease: a key role in the puzzle?” that will be held in Rome next November 18, 2022.

The aim of this workshop is to underline the growing role that thoracic surgery has within the wide panorama of lung diseases. Thoracic surgeons are more and more “urged to do something” by pneumologists, oncologists, infectious disease and lung transplantation specialists in the pattern of a multidisciplinary approach to lung diseases.

We are very proud that one among the most famous contemporary Italian painter/designer, the Master Ugo Nespolo has gifted us his pictorial vision of this concept by creating the logo of our workshop. We are also much honored that among the well-known invited experts in the field the President Elect of the European Society of Thoracic Surgeons and the Head of European Respiratory Society Thoracic Surgery and Transplantation Assembly, accepted to outline session highlights and take home messages.

The workshop is hybrid and will be delivered both onsite and by online streaming. We look forward to welcoming all of you and wish a fruitful scientific update.

Stefano Elia

Eugenio Pompeo

08.00 **Opening coffee**

08.30 **WELCOME TO PARTICIPANTS**

Prof. D. Schillaci Rector, University of Rome Tor Vergata (Rome, I)

Prof. L. Brunese Rector, University of Molise (Campobasso, I)

Prof. S. Marini Dean, Medical School, University of Rome Tor Vergata (Rome, I)

Dr. G. Quintavalle General Director, Fondazione Policlinico Tor Vergata (Rome, I)

Prof. S. Elia Thoracic Surgeon, University of Molise (Campobasso, I)

Prof. E. Pompeo Thoracic Surgeon, Tor Vergata University (Rome, I)

09.00 **LECTIO MAGISTRALIS: STATE-OF-THE-ART IN LUNG VOLUME REDUCTION SURGERY**

W. Weder (Zurich, CH)

Session I

**PULMONARY EMPHYSEMA AND INTERSTITIAL LUNG DISEASE:
TAILORED ROLE OF SURGERY**

Chairs: **V. Ambrogi** (Rome, I), **M. Dauri** (Rome, I), **W. Weder** (Zurich, CH)

09.20 RECENT ADVANCES IN ENDOSCOPIC LUNG VOLUME REDUCTION

P. Shah (London, UK)

09.35 MINIMALIST NON-INTUBATED LUNG VOLUME REDUCTION SURGERY

E. Pompeo (Rome, I)

09.50 MEDICAL TREATMENT OF COPD AND EMPHYSEMA: AN UPDATE

J. Dra (Rome, I)

10.05 INTERSTITIAL LUNG DISEASE: ADVANCES IN ENDOSCOPIC CRYOBIOPSY

M. Bezzi (Brescia, I)

10.20 INTERSTITIAL LUNG DISEASE: MINIMALIST NON-INTUBATED LUNG BIOPSY

R. Tajé (Rome, I)

10.35 EARLY MEDICAL TREATMENT OF INTERSTITIAL LUNG DISEASE IN A
MULTIDISCIPLINARY SETTING

E. Puxeddu (Rome, I)

10.50 SESSION HIGHLIGHTS AND TAKE HOME MESSAGE

J. Furak (Szeged, HU), **F. Meloni** (Pavia, I)

- 11.00 CARING FOR PEOPLE WITH CHRONIC RESPIRATORY DISEASE UNDERGOING THORACIC SURGERY:
THE NURSES' ROLE BEFORE AND AFTER THE SURGERY
M. Clari (Turin, I)
- 11.15 **LECTIO MAGISTRALIS:**
CURRENT INDICATION TO LUNG TRANSPLANTATION AND FUTURE TRENDS
G. Massard (Luxembourg, LU)

Session 2

TAILORED MANAGEMENT FOR SOLITARY PULMONARY NODULE AND LUNG CANCER

Chairs: **G. Massard** (Luxembourg, LU), **M. Roselli** (Rome, I), **R. D'Angelillo** (Rome, I)

- 11.35 THE MULTIDISCIPLINARY TEAM (MDT): A "MUST" IN LUNG CANCER MANAGEMENT
M. Roselli (Rome, I)
- 11.50 MOST RECENT ACQUISITIONS IN IMAGING TECHNIQUES: LDCT
M. Chiocchi (Rome, I)
- ARTIFICIAL INTELLIGENCE AND RADIOMICS
A. Santone (Campobasso, I)
- 12.20 DIRECT SURGICAL REMOVAL WITHOUT PREVIOUS HISTOLOGY
S. Elia (Campobasso, I)
- 12.35 COMPLEX VATS LUNG RESECTIONS FOR EARLY LUNG CANCER
M. Lucchi (Pisa, I)
- 12.50 RECENT ADVANCES IN TARGETED THERAPY FOR LUNG CANCER
T. Blum (Berlin, D)
- 13.05 STEREOTACTIC ABLATIVE BODY RADIOTHERAPY (SABR)
R. D'Angelillo (Rome, I)
- 13.20 SESSION HIGHLIGHTS AND TAKE HOME MESSAGE
J. Furak (Szeged, HU), **F. Meloni** (Pavia, I)
- 13.30 **Closing remarks**

REGISTRATION:

The course is open for a maximum of 100 places in attendance and 100 places online, Just select the type of ticket during registration.

After the end of the congress it will be possible to download the participation certificate and take the ECM quiz directly from your personal area on the website **www.ceccongressi.it**

E.C.M.
Educazione Continua in Medicina

ECM Event n° 367427

Educational objective- guidelines-protocols- procedures

The course **entitles you to 6 ECM credits**

Addressees:

The course is accredited for the professions of:

Physicians (thoracic surgeons, pulmonologists, oncologists, radiologists, radiotherapists, anaesthesiologists), biomedical engineers, nurses.

It will be possible to take the ECM quiz within 72 hours of the end of the event by accessing your personal area on the website **www.ceccongressi.it** after registering for the event.

Failure to register on the site will not allow you to take the test.

If the faculty wants to participate in the test as a learner, it will have to carry out the same procedure described above.
